  - o 1x camera (Sony HDR-CX455 or equivalent) with tripod
  - o 2x live streaming encoder
  - o 2x 4G mobile routers
- OTT platform with the latest technologies, including but not limited to cloud services, geo-blocking, adaptive bitrate, Live and VOD
- Video player with on-screen graphics, automatic live commentaries and data statistics
- Platform fully customizable in terms of visual identity, with the possibility to banners and pre-roll videos for sponsors
- Pay per view system
- The possibility to embed the platform on CAF Website or Member Associations website
- The possibility to distribute content on Twitter using the video player of the solution proposed
- Commercialization services to monetize all content and data
- 24/7 technical support
- One local workshop for each CAF Member Associations (x 54 – travel expenses to be included)

Please do submit your offer in 2 closed envelops:

- 1<sup>st</sup> envelop with technical proposal
- 2<sup>nd</sup> envelop with Financial proposal
