

Draw Procedure of the 15TH Edition of Total CAF CONFEDERATION CUP, CC 2018
QUARTER-FINALS

1. Pot 1 will contain all the teams who came in 2nd place (runner-up) of their groups:

AS VITA
AL MASRY S.C
C.A.R.A Brazzaville
RAYON SPORTS

2. Pot 2 will contain 3 balls containing the name of the club who finished 1st in Group A:

Ball 1: RAJA.A.C
Ball 2: RAJA A.C
Ball 3: RAJA A.C

3. Pot 3 will contain 3 balls containing the name of the club who finished 1st in Group B:

Ball 1: RS BERKANE
Ball 2: RS BERKANE
Ball 3: RS BERKANE

4. Pot 4 will contain 3 balls containing the name of the club who finished 1st in Group C:

Ball 2: ENYIMBA F.C
Ball 3: ENYIMBA F.C

5. Pot 5 will contain 3 balls containing the name of the club who finished 1st in Group D:

Ball 1: U.S.M ALGER
Ball 2: U.S.M ALGER
Ball 3: U.S.M ALGER

6. Pot 6 will be an empty pot:

Step 1:

- Pick a ball from the runner-up pot (Pot 1) and show the team drawn.

Step 2:

- we take 1 ball from each other pot (pots 2,3,4&5) except the pot that has the team that played in the same group of the runner-up team drawn in step 1 (to avoid having two teams from the same group playing each other).
 ➤ *Example: if we pick the runner-up (2nd of group A), we take one ball from pot 3 one from pot 4 and one from pot 5 and we eliminate pot 2 (containing the balls of 1st of Group A).*

Step 3:

- We put the three balls in the empty pot (Pot 6).

Step 4:

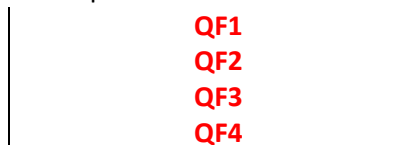

- We mix the three balls of Pot 6 in order to choose one ball with the name of the team who will face the runner up drawn in step 1 for the Quarterfinal 1.

Step 5:

- The same process will be repeated three more times in order to determine the Quarterfinal 2, Quarterfinal 3 & Quarterfinal 4.
- **According to the regulations: “The runners-ups shall play the first leg matches of the quarterfinals at home**

2. SEMI-FINALS

1. One Pot will contain all the quarter finals as follow: QF1 – QF2 – QF3 – QF4

Step 1:

- The first 2 balls drawn will play against each other in SF1. The ball drawn first play the first match at home and the ball drawn second play the 2nd match at home.

Step 2:

- The last 2 balls in the pot will play against each other in SF2. The ball drawn first play the first match at home and the ball drawn second play the 2nd match at home.

3. FINAL

The winner of SF1 plays the final against the winner of SF2.
 The winner of SF1 plays the 1st leg at home and the winner of the SF2 plays the 2nd leg at home.
