

PROCEDURE OF THE DRAW OF THE FINAL TOURNAMENT
TOTAL WOMEN'S AFCON-GHANA 2018

A1 is the host country: **GHANA**

B1 is the cup holder of the previous tournament: **NIGERIA**

CAMEROON & SOUTH AFRICA will be seeded in a 2nd level in **pot 1** for having the best results in the last three editions of **TOTAL Women AFCON**. (South Africa & Cameroon were both qualified to the last three final tournaments; both teams had the best results)

Only the results of Women's AFCON are taken into consideration in the seeding.

The 4 remaining teams (**Kenya, Mali, Algeria & Zambia**) are all seeded in a 3rd level in **pot 2** containing 4 balls.

1st Ball drawn from the 1st pot will be in group **A** and a draw will be done to determine its position (**A2, A3, A4**) from the **pot 3**; then the 2nd ball will be in group **B** and a draw will be done to determine its position (**B2, B3, B4**) from **pot 4**.

For the 4 remaining teams in pot 2, the ball drawn the 1st will be in group **A** and a draw will be done to determine its position (**A2, A3, A4**) from the third pot and the ball drawn the 2nd will be in group **B** and a draw will be done to determine its position (**B2, B3, B4**) from the fourth pot.

This procedure will be repeated twice.
